

Press Release

FOR IMMEDIATE RELEASE:

www.LaunchHR.com, the Human Resources products and services directory web site, is now live.

This FREE web site contains over 70 categories of Human Resources related products, services, government agencies, professional organizations, research centers and literature.

Launch Web International is proud to announce the introduction of www.LaunchHR.com, a products and services directory designed specifically to assist the Human Resources community.

This FREE web site contains an extensive list of HR-oriented **products, services, government agencies, professional organizations, research centers and literature**, coupled with community-oriented features such as blogs, user customizable links, community-entered product/company evaluations and user forums. Also, all the information contained on the site is first reviewed by our staff to assure its applicability to the HR community.

These products and services are classified into over 70 specific categories, ranging from Application Tracking to Unemployment Insurance. These categories are then rolled up to the following topical area: **Benefits, Compensations, Consulting, Diversity, Family Issues, Government Agencies, Legal Issues, Management Practices, Performance Evaluation, Recruiting, Technology, Terminations, Training, Unions and Workplace.**

Our goal at www.LaunchHR.com is to provide HR professional with a comprehensive, easy-to-use web site that complements the great information found within the human resource association web sites such as SHRM, NEHRA, NCHRA and others.
